## CHANGES TO AIRLINE TERMINAL SERVICE FEES FOR AIRFREIGHT CARGO

Following our Market Updates on 27<sup>th</sup> April and 11<sup>th</sup> May 2011 regarding the upcoming implementation of terminal fees by Air NZ Cargo, Mainfreight will implement an **NZD 0.04 per kg Handling Fee** on all dry goods shipments, import & export effective 16 May 2011.

These changes have been introduced to recover the increased airport terminal fees, along with the increasing costs associated with packing and unpacking airfreight cargo through our facilities across New Zealand.

In addition to the new dry cargo handling fee, other increases as highlighted in earlier updates are summarised below:

### New Airfreight Terminal Fees Effective 16<sup>th</sup> May

Handling Fee Dry Cargo	NZD0.04 per kg (Minimum NZD15.00)
Security Screening Fee – <i>Change to Minimum Charge Only</i>	NZD0.05 per kg (Minimum NZD25.00)
Dangerous Goods Check Fee	NZD 75.00 per shipment
Terminal Security Fee – <i>Change to Minimum Charge Only</i>	NZD 0.02 per kg (Minimum NZD5.00)
AVI Check Fee <i>(applicable to Live Animal Exports)</i>	NZD 30.00 per shipment

Should you wish to discuss these changes or require any additional information, please feel free to contact either the undersigned, or your Mainfreight Sales or Customer Service Representative.

Yours sincerely
